

VERONAWALK

Dear VeronaWalk Residents,

As we enter the peak of hurricane season, we want to remind everyone of the expectations and procedures when a Tropical Storm or Hurricane Watch is in effect.

Association Preparations:

When a watch is issued, the VeronaWalk HOA begins its preparation procedures to ensure the safety and security of our community. Our focus will be on:

- Securing common areas and amenities.
- Ensuring drainage systems are clear and operational.
- Coordinating with the Community Emergency Response Team (CERT) for timely preparations and notices to the community.

Please note that while we will keep you informed about what the association is doing to prepare, we do not provide ongoing weather updates.
